

RICHMOND CRIB

ASSEMBLY INSTRUCTIONS

Thank you for choosing our new Convertible Crib.

This practical Crib design can be used as a baby's crib, a toddler bed and then will convert to a full sized bed.

Before assembling your Richmond Crib, please read through these instructions carefully.

Familiarize yourself with the different parts before starting assembly.

Assembly is to be performed by qualified individuals who have experience with tools and metal fasteners.

Please save these instructions in the envelope attached to the mattress support for future reference.

Attach the Footboard (03) to the Side panels (04/05), using JCB M6 X 50mm (A). Tighten with the Allen Key (E).

IMPORTANT : TIGHTEN ALL BOLTS SECURELY DO NOT OVER TIGHTEN

STEP 4

⚠ WARNING

ANY MATTRESS USED IN THIS CRIB MUST BE AT LEAST 27 1/4 INCHES (690 mm) IN WIDTH, BY 51 5/8 INCHES (1310mm) IN LENGTH, AND AT LEAST 4 INCHES (100mm) IN THICKNESS, BUT NOT EXCEEDING 6 INCHES (150mm).

Your Richmond Crib is now ready for use.

⚠ WARNING

It is important that you recheck all bolts making sure they are tight and that all parts are secure before use and periodically to ensure safety.

Conversion to a Toddler Bed / Day Bed

When use as a Crib has been completed, you have the option to convert the Crib to a Toddler Bed. Remove Footboard (03) that is attached to front posts (left + right). Install Toddler Guard Rail (06), use Wood Dowel (D), JCB M6 X 100mm (B) as shown.

Tighten with the Allen Key (E).

Remove Guardrail (06) that is attached to Stretcher as shown.

⚠ WARNING
Mattress Support (07)
must be installed in
lowest position as shown.

Conversion to a Full Size Bed

Disassemble crib by removing Mattress Support (07), Also remove Side Rails (04)(05) from Headboard / Footboard.
Install The Headboard and Footboard to Crib Long Rail with Metal Bracket (08) as shown.
Tighten with The Allen Key.

For CRIB LONG RAIL ASSEMBLY follow assembling Instructions Included with Long Rail.

FOR SLAT KIT ASSEMBLY follow assembly instructions included with slat kit.

MAINTENANCE OF YOUR ATLANTIC CONVERTIBLE CRIB :

After you finish assembling your crib, be sure all allen bolts have been tightened securely. You must check all bolts periodically and re-tighten as necessary. Periodically inspect crib for damaged hardware, loose joints or splintered edges. **DO NOT** use crib if parts are damaged or broken! Contact your Atlantic Crib dealer or Atlantic Furniture at (413) 747-2900, or email info@atlanticframe.com If you are having problems contacting us, you may also visit our website at www.atlanticframe.com Please be sure to have your model identification number written down before you make contact. The model number can be found on a white label located on the inside of your Crib on the side panel. **NEVER SUBSTITUTE PARTS OR MAKE ALTERATIONS TO YOUR CRIB.**

ASSEMBLING THE YOUTH TODDLER BED :

When a child reaches 35 inches in height, they should be placed in a youth or toddler bed. The minimum age for a child using a toddler bed shall be not less than 15 months and the maximum weight shall be no greater than 50lb. If you choose to convert this crib to a toddler bed you must use Stretcher / Guard Rail (06).
